Owner: Landbase Trading Co., Ltd.  
Address: 146 Whitchurch Road, Cardiff, UK CF14 3NA  
email: support@recreationh.com

The image is a screenshot of the Wow-Gogeros website, divided into two horizontal sections. The top section is titled "WORKS WITH YOUR DRILL" and features a grid of eight different drill bit images. An orange arrow points from a red-bordered box labeled "Copyrighted Images" to this grid. Below this is the "NON CONTACT" section, which includes a grid of six drill bit images labeled "SPADE", "HEX SHANK", "MASONRY", "STANDARD", "AUGUR", and "STEP". Another orange arrow points from a second red-bordered box labeled "Copyrighted Images" to this grid. The bottom section is titled "Contact Us" and contains a form with fields for Name, Email, Phone Number, and Message, along with a "SEND" button. A footer at the bottom of the page includes "WOW-GOGEROUS Info", "Customer Service", and the company logo "Wow-Gogeros".

**WORKS WITH YOUR DRILL**  
It was designed to work with thousands of common standard electric drills and drill chucks.

**NON CONTACT**  
Unlike traditional drill guides, drill cups, or drill blocks, it does not need to contact the worksurface you drill into, and thus will not scratch or mar it during normal operation. Further, unlike traditional drill guides, drill cups, or drill blocks, it does not block or obstruct your view of the drill bit or worksurface during a drilling operation.

**ANY ORIENTATION**

It works in any orientation, so it can easily be used on walls, floors, ceilings, or boards at any angle. The Core's unique shape also allows it to be virtually invisible during drill rotation, so the drill bit, worksurface, and the Core's projected worksurface patterns are clear and easy to see.

**SAFE TO USE**

It safely disconnects if an obstacle is encountered during drilling operations.
